

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.

FIRST PRESBYTERIAN CHURCH

BELLTOWER

January 2026

From the Pastor

I have never been one to make New Year's resolutions. Maybe it's because they traditionally get tossed to the side and forgotten about as soon as things get a little busy. I do like to contemplate newness, and sometimes the new year inspires me to try something new, or re-think what I am already doing.

At FPC Dixon, we are in a time of newness. We are figuring out what ministry together is like. I am learning about your favorite traditions, and what makes FPC FPC. And my hope is that I am offering you fresh ideas for being a church family, and for growing together in Christ. Or maybe a return to some pre-covid ways of doing things. But things feel new.

This past Sunday, we each obtained a star word (if you were not in worship and would like one- please let me know, I am happy to pick one out for you!). This is a newer tradition used by many protestant churches. Each person has a word that is their word for the year. They put it somewhere where they will see it regularly like the bathroom mirror or refrigerator (or as one person suggested, on their chapstick). When we see it, we should use it as a reminder to reflect how God might be moving through, or around, or in connection to that word. It allows God to speak to us in a different, or new way.

Sometimes we can wonder why we received a specific word, it might not feel like it fits us, and we have to be patient with it. But this year my word feels very appropriate. I received the word Dream. It's a word that feels very appropriate for all of us right now. Together we can dream about how God is calling us to be a body of believers together, how we can support one another and our community, and grow together in Christ. We might be dreaming of traditions we have had in the past that have helped us to feel close to God, or we might be dreaming of new and creative ways we can worship and grow together.

I encourage you to share your dreams and ideas, with each other, with me, with the session! Feel free to send me an email, drop a note in the box by my office, or even find a time we can talk in person. While not every dream may come to fruition, each one is important to consider because it represents God working in that person's life. May God bless you as you dream!

Presbytery Update

(from the December Blackhawk Connections Newsletter)

After years of study and reflection on the history of the name “Blackhawk” and the story of the land on which we serve, the Land and Name Acknowledgement Task Force brought forward a recommendation to change our name. Through a presbytery-wide ranked-choice vote, the Assembly affirmed this recommendation on November 18, 2025, selecting the name ***Illinois Prairie Presbytery***. If the way be clear, this new name will take effect on March 13, 2026.

At-Home Communion

If you are interested in having Nikelle and an Elder bring you communion at home, please let Nikelle know.

Each Wednesday we join in prayer as a community.

We invite you to join us.

Dear Lord,

Give me eyes to see and ears to hear. I know there is light in the darkness that makes everything new. I know there is new life in suffering that opens a new earth for me. I know there is a joy beyond sorrow that rejuvenates my heart. Yes, Lord, I know that you are, that you act, that you love, that you indeed are Light, Life, and Truth. People, work, plans, projects, ideas, meetings, buildings, paintings, music, and literature all can only give me real joy and peace when I can see and hear them as reflections of your presence, your glory, your kingdom.

Let me then see and hear. Let me be so taken by what you show me and by what you say to me that your vision and hearing become my guide in life and impart meaning to all my concerns.

Let me see and hear what is really real, and let me have the courage to keep unmasking the endless unrealities, which disturb my life every day. Now I see only in a mirror, but one day, O Lord, I hope to see you face to face.

Amen.

Henri J.M. Nouwen

ANNOUNCEMENTS

Our Prayer Chain is now being handled by Susie Smith and Evelyn Thomas. You can contact Susie if you have a request to share and she will email the Prayer Chain. Evelyn will be Susie's backup. If you submit a request to the Prayer Chain it will be held in confidence with only those members and the pastor, until you share on Sunday morning or yourself. If you would like to be on the Prayer Chain let Susie or Evelyn know and you will be added. Thank you to all those who pray for the requests we receive.

MISSION WITNESS GRATITUDE

Each time we fill the 24-hour food pantry behind the Dixon Public Library, we are grateful for the generosity of the members of First Presbyterian Church. Often when we go to the pantry, it is completely empty until we stock it with your donations. Once, two women on bicycles in the freezing cold were waiting for donations. They were thrilled to receive bags of sugar. Another time, just as we were leaving, a man stopped by and took five cans of vegetables. Your gifts are reaching those in need. Thank you.

We will continue collecting and delivering items once a month for the food pantry in 2026. Please place your donations in the blue cloth bags under the stairway near the parking lot entrance to the church. Or you can take items to the pantry on your own. It is directly behind the library in a wooden shed. Shelves for cans, etc. are behind the left door. A refrigerator/freezer is behind the right door. Be sure to put nonfood items such as dish soap on the bottom shelf away from food items. Because it is available 24 hours a day, it is a convenient way to drop things off as you are in the area. Of course, we are happy to continue to deliver donations that you bring to the church.
